Some information on the weekend...

- There is an expected standard of behaviour which is explained on the first evening.
- The food is excellent - provided by staff from the CEF Centre.
- We have a ratio of 1 leader to 5 young people.
- All the leaders have obtained the necessary Child Protection clearance.
- There are Bible studies, quizzes, praise times, discussion groups and missionary focus.
- On the recreational side there is football, unihoc, badminton, table tennis, pool, alternative activities for the non-sporty and various games.

After booking the camper will receive a letter with details of what to bring and also a medical form to be completed.
